6 CARRIER'S RESPONSIBILITY

(A) Where the Carriage is Port to Port, then the liability (if any) of the Carrier for loss or damage to the Goods occurring between the time of loading at the Port of Loading and the time of discharge at the Port of Delivery shall be determined in accordance with any national law making the Hague Rules, Hague-Visby Rules, COGSA or any other rules compulsorily applicable to this bill of lading or in any other case in accordance with the Hague Rules Article 1-8 inclusive (excluding Article 5) and 8 only.

(B) The Carrier shall be under no liability whatsoever for loss or damage to the Goods while in its actual or constructive possession before loading or after discharge, however caused. Notwithstanding the foregoing, in case and to the extent that any applicable compulsory law provides to the contrary, the Carrier shall have the benefit of every right, defence, limitation and liberty in the Hague Rules, Hague-Visby Rules, COGSA or any other rules as applied by Clause 6(1)(A) during such additional compulsory period of responsibility, notwithstanding that the loss or damage did not occur by sea.

(C) If COGSA applies then the provisions stated in COGSA shall govern the Carrier's liability throughout the Carriage by sea and the entire time that the Goods are in the actual custody of the Carrier or his Sub-Contractor at the container yard, freight station or area immediately adjacent to the sea terminal before loading onto the vessel or after discharge therefrom as the case may be. Where the Merchant requests the Carrier to procure Carriage by an inland Carrier in the United States of America, such carriage shall be procured by the Carrier as agent only to the Merchant and such carriage shall be subject to the inland Carrier's contract tariff. If, for any reason, the Carrier is denied the right to act as agent only at such times, his liability for loss, damage or delay to the Goods shall be determined in accordance with Clause 6(2) hereof.

(D) If the Goods are discharged at a Port other than the Port of Discharge or (save in the United States of America) at a Place of Delivery instead of the Port of Discharge, and the Carrier in its absolute discretion agrees to a request to such effect, such further Carriage will be undertaken on the basis that the Terms and Conditions are to apply to such Carriage as if the ultimate destination agreed with the Merchant had been entered on the reverse side of this bill of lading as the Port of Discharge or Place of Delivery.

(E) **COMBINED TRANSPORT**

Save as otherwise provided in this bill of lading, the Carrier shall be liable for loss or damage to the Goods occurring from the time when he receives the Goods into his charge until the time of delivery to the extent set out below.

(2) The burden of proof of the loss or damage was due to one or more of the causes or events specified in the Clause 6(2)(A) will rest upon the Carrier. Save that if the Carrier establishes that, in the circumstances of the case, the loss or damage could be attributed to one or more of the causes or events specified in Clause 6(2)(A)(i)-(j), (k) or (e), it shall be presumed that it was so caused.

The Merchant shall, however, be entitled to prove that the loss or damage was not, in fact, caused either wholly or partly by one or more of these causes or events.

(B) Where the stage of Carriage where the loss or damage occurred can be proved by the Merchant:

(1) The liability of the Carrier shall be determined by the provisions contained in any international convention or national law of the country where the loss or damage occurred.

(2) Cannot be departed from by private contract to the detriment of the Merchant, and

(3) Would have applied if the Merchant had made a separate and direct contract with the Carrier in respect of the particular stage of Carriage where the loss or damage occurred and had received as evidence thereof any particular document which must be issued in order to make such international convention or national law applicable.

(2) Where 6(2)(b)(1) above does not apply, any liability of the Carrier shall be determined by 6(1) if the loss or damage occurred during a sea leg, or by 6(2)(A) in all other cases.

(3) GENERAL PROVISIONS

(A) Compensation.

Subject to the Carrier's right to limit liability as provided for within this bill of lading, the Carrier's liability shall be calculated by reference to the FOB/FCA invoice value plus freight and insurance if paid. If there is no such invoice value, the value of the Goods shall be determined according to the value of the Goods at the place and time of delivery to the Merchant or at the place and time when they should have been so delivered.

(B) Package or Shipping Unit Limitation

(i) Where the Hague Rules, Hague-Visby Rules, COGSA or any other rules apply under this Bill of Lading by national law or pursuant to Clause 6(2)(B) (i) the Carrier's liability shall in no event exceed the amounts provided in the applicable national law or in the law thereby made applicable.

(C) Ad Valorem: Declared Value of Package or Shipping Unit The Carrier's liability may be increased to a higher value by a declaration in writing of the value of the Goods by the shipper upon delivery to the Carrier of the Goods for shipment, such higher value being inserted on the front of this bill of lading in the space provided and, if required by the Carrier, extra freight paid. In such case, if the actual value of the Goods shall exceed such declared value, the value shall nevertheless be deemed to be the declared value and the Carrier's liability, if any, shall not exceed the declared value and any partial loss or damage shall be adjusted pro rata on the basis of such declared value.

(D) Delay, Consequential Loss

Save as otherwise provided herein, the Carrier shall in no circumstances be liable for direct, indirect or consequential loss or damage caused by delay or any other cause whatsoever and howsoever caused. Without prejudice to the foregoing, if the Carrier is found liable for delay, liability shall be limited to the freight applicable to the relevant stage of the transport.

(E) Notice of Loss or Damage

The Carrier shall be deemed prima facie to have delivered the Goods as described in this bill of lading unless notice of loss or damage to the Goods, indicating the general nature of such loss or damage, shall have been given in writing to the Carrier or to his representative at the place of delivery before or at the time of removal of the Goods into the custody of the person entitled to delivery thereof under this bill of lading or, if the loss or damage is not apparent, within three consecutive days thereafter.
