225. The shipper acknowledges that the Carrier may carry the goods identified in this bill of lading on the deck of any vessel and in taking remittance of this bill of lading the Merchant (including the shipper, the consignee and the holder of the bill of lading, as the case may be) confirms his express acceptance of all the terms and conditions of this bill of lading and expressly confirms his unconditional and irrevocable consent to the possible carriage of the goods on the deck of any vessel.

274. The Merchant is responsible for returning any empty container, with interior clean, free of any dangerous goods placards, labels or markings, at the designated place, and within 60 days following to the date of release, failing which the container shall be construed as lost. The Merchant shall be liable to indemnify the Carrier for any loss or expense whatsoever arising out of the foregoing, including but not limited to liquidated damages equivalent to the sound market value - or the depreciated value due by the Carrier to a container lessor. The Carrier is entitled to collect a deposit from the Merchant at the time of release of the container which shall be remitted as security for payment of any sums due to the Carrier, in particular for payment of all detention and demurrage and/or container indemnity as referred above.

343. In the event that this Bill of Lading is a Paperless Bill of Lading, it shall be governed by the Terms and Conditions available on the CMA CGM website (<https://www.cma-cgm.com/products-services/shipping-guide/bl-clauses>) which the Merchant has read and accepted. The delivery of the cargo carried under a Paperless Bill of Lading shall be made to the Consignee after the Paperless Bill of Lading has been surrendered to the Carrier on the eBusiness platform and after payment of any outstanding Freight and charges.

358. Following the exceptional measures adopted by various governments in relation with the outbreak of COVID-19 virus and the operational constraints resulting thereof, the Merchants are hereby notified that the carriage of cargo may be disrupted or delayed. Cargo may not be loaded on the intended vessel and may be on forwarded to the port of destination on any alternative vessel at Carrier's sole discretion. Furthermore in case of disruption of ports' operations, the cargo may be discharged in an alternative port without notice and - subject to availability - be on forwarded to the original intended port of destination. Carrier reserve its rights to accomplish the bill of lading in any alternative port. All additional costs, including but not limited to storage, demurrage, plugging, monitoring at the alternative discharge port or extra on forwarding costs, shall be on Merchant's account and payable before delivery and the carrier shall have no liability whatsoever for any loss or damage resulting thereof
