"In compliance with DL 1492 and DS 001-2021-MINCETUR, carriers are obligated to inform that all shipments involving Peruvian ports are subject to additional local charges and service fees related to cargo and equipment. Detailed information can be found in <https://la.one-line.com/en/standard-page/peru-local-surcharges>
Merchants acknowledge and accept these local charges to be paid in Peru to the company performing the service."

In view of current port congestion and Reefer plug shortage at most terminals worldwide, any container may be subject to severe delays, diversion to another port depending on the situation which is beyond ONE's control.
