Your cargo may be weighed at any place and time of carriage and any mis-declaration will expose you to claims for all losses, expenses or damages whatsoever resulting thereof and be subject to freight surcharge.
- 225. The shipper acknowledges that the Carrier may carry the goods identified in this bill of lading on the deck of any vessel and in taking remittance of this bill of lading the Merchant (including the shipper, the consignee and the holder of the bill of lading, as the case may be) confirms his express acceptance of all the terms and conditions of this bill of lading and expressly confirms his unconditional and irrevocable consent to the possible carriage of the goods on the deck of any vessel.
- 274. The Merchant is responsible for returning any empty container, with interior clean, free of any dangerous goods placards, labels or markings, at the designated place, and within 60 days following to the date of release, failing which the container shall be construed as lost. The Merchant shall be liable to indemnify the Carrier for any loss or expense whatsoever arising out of the foregoing, including but not limited to liquidated damages equivalent to the sound market value - or the depreciated value due by the Carrier to a container lessor. The Carrier is entitled to collect a deposit from the Merchant at the time of release of the container which shall be remitted as security for payment of any sums due to the Carrier, in particular for payment of all detention and demurrage and/or container indemnity as referred above.

DELIVERY will only be made on Payment of all Freight and Charges and to the named Consignee or any third party nominated by the Consignee by written instruction to the Carrier or his Agent, unless the Shipper instructs otherwise prior to delivery. The rights and liabilities arising according to the terms hereof shall (without prejudice to any rule of common law and status) become binding between the Carrier and Consignee as if this agreement has been made between them and the Shipper guarantees on reception of this Waybill that he has accepted it on his own behalf, on behalf of the Consignee and the Owner of the Goods, and warrants that he has authority to do so.

All claims and actions arising between the Carrier and the Merchant in relation with the contract of Carriage evidenced by this Waybill shall exclusively be brought before the Tribunal de Commerce de Marseille and no other Court shall have jurisdiction with regards to any such claim or action. Notwithstanding the above, the Carrier is also entitled to bring the claim or action before the Court of the place where the defendant has his registered office.

This Waybill is issued subject to the C.M.I Uniform Rules for Sea Waybills.

The carrier is entitled to deliver the cargo to the Consignee, after payment of any outstanding Freight, on provision of proper proof of identity without the need to produce or surrender a copy of this Sea Waybill.

358. Following the exceptional measures adopted by various governments in relation with the outbreak of COVID-19 virus and the operational constraints resulting thereof, the Merchants are hereby notified that the carriage of cargo may be disrupted or delayed. Cargo may not be loaded on the intended vessel and may be on forwarded to the port of destination on any alternative vessel at Carrier's sole discretion. Furthermore in case of disruption of ports' operations, the cargo may be discharged in an alternative port without notice and - subject to availability - be on forwarded to the original intended port of destination. Carrier reserve its rights to accomplish the bill of lading in any alternative port. All additional costs, including but not limited to storage, demurrage, plugging, monitoring at the alternative discharge port or extra on forwarding costs, shall be on Merchant's account and payable before delivery and the carrier shall have no liability whatsoever for any loss or damage resulting thereof

366. The Merchant warrants that the particulars relating to the Goods have been checked and that such particulars are adequate and correct. In case of failure of the Merchant to comply with such warranty, the Carrier shall be entitled to charge the Merchant at any time an amount of USD 2,000 per Container or Goods (for non-containerized cargo) as processing and administrative fees. This fee shall also be applicable in case of discrepancy between the Verified Gross Mass (VGM) sent to the Carrier, or the weight declared to the Carrier (for non-containerized cargo), and the weight declared by the Shipper in his shipping instruction or otherwise weighted during the Carriage.

369. All local charges generating in Peru are to be paid by the Merchant to the agent and designated empty container depot, who render the services locally. All local charges are duly registered on the website <https://www.cma-cgm.com/local/peru/tariffs-local-charges>

372. Merchant consents to the Carrier sharing information and data contained in the Bill of Lading and/or related to the performance of the Carriage of the Goods with third parties, including but not limited to digital supply chain platforms.
