hours prior to the loading on the first vessel the temperature of the Goods has increased or is still out of the agreed protocol; and/or
 (ii) at destination; if at the time of arrival at the port of destination, the sterilization period is due to be completed within a maximum of four days.

Carrier reserves the right to re-start the cold treatment protocol during carriage at its discretion when there is sufficient time to finalize the protocol within a maximum of four days after the arrival of the last vessel, according to the transport plan, to the port of destination.

Carrier reserves the right to change the set temperature in the Container to ensure the timely completion of the cold treatment protocol.

If the Carrier is not able to complete cold treatment of the Goods in accordance with the above, the Merchants remedy (to the exclusion of any other) is, that:
 (i) if the Merchant choses to complete cold treatment after delivery of the Goods by the Carrier; the Carrier will waive any detention, demurrage and/or storage costs for up to five (5) days; or
 (ii) if the Merchant decides to divert the Goods to a new destination where cold treatment
