ADDITIONAL CLAUSES

- 4. Cargo at port is at merchant risk, expenses and responsibility
- 5. FCL
- 77. THC at destination payable by Merchant as per line/port tariff
- 91. Ground rent/storages/power supply/monitoring costs at port of discharge for Merchant's account according to port rates.
- 92. Reefer container can only be operated by electrical power. During land transportation the Carrier will not be liable in any respect whatsoever for consequences, due to non refrigeration.
- 143. Shipper must ensure they are paid for their cargo prior to the beginning of the voyage. In such case, the Carrier will not be responsible for any claim due to delivery of cargo without original bill of lading.
- 194. For the purpose of the present carriage, clause 14(2) shall exclude the application of the York/Antwerp rules, 2004.
- 202. Demurrage and detention shall be calculated and paid as per general tariff available on the web site www.cma-cgm.com, or in any of CMA CGM agency. However if special free time conditions are granted, then rates applicable as per general tariff grid shall start from the day following the last free day.
- 216. Mis-declaration of cargo weight endangers crew, port workers and vessels' safety. Your cargo may be weighed at any place and time of carriage and any mis-declaration will expose you to claims for all losses, expenses or damages whatsoever resulting thereof and be subject to freight surcharge.
- 225. The shipper acknowledges that the Carrier may carry the goods identified in this bill of lading on the deck of any vessel and in taking remittance of this bill of lading the Merchant (including the shipper, the consignee and the holder of the bill of lading, as the case may be) confirms his express acceptance of all the terms and conditions of this bill of lading and expressly confirms his unconditional and irrevocable consent to the possible carriage of the goods on the deck of any vessel.
- 274. The Merchant is responsible for returning any empty container, with interior clean, free of any dangerous goods placards, labels or markings, at the designated place, and within 60 days following to

RECEIVED by the carrier from the shipper in apparent good order and condition (unless otherwise noted herein) the total number or quantity of Containers or other packages or units indicated above stated by the shipper to comprise the cargo specified above for transportation subject to all the terms hereof (including the terms on page one) from the place of receipt or the port of loading, whichever is applicable, to the port of discharge or the place of delivery, whichever is applicable. Delivery of the Goods will only be made on payment of all Freight and charges. On presentation of this document (duly endorsed) to the Carrier, by or on behalf of the holder, the rights and liabilities arising in accordance with the terms hereof shall (without prejudice to any rule of common law or statutes rendering them binding upon the shipper, holder and carrier) become binding in all respects between the Carrier and Holder as though the contract contained herein or evidenced hereby had been made between them.

All claims and actions arising between the Carrier and the Merchant in relation with the contract of Carriage evidenced by this Bill of Lading shall exclusively be brought before the Tribunal de Commerce de Marseille and no other Court shall have jurisdiction with regards to any such claim or action. Notwithstanding the above, the Carrier is also entitled to bring the claim or action before the Court of the place where the defendant has his registered office.

In witness whereof three (3) original Bills of Lading, unless otherwise stated above, have been issued, one of which being accomplished, the others to be void.

In case of failure of the Merchant to comply with such warranty, the Carrier shall be entitled to charge the Merchant at any time an amount of USD 2,000 per Container or Goods (for non-containerized cargo) as processing and administrative fees. This fee shall also be applicable in case of discrepancy between the Verified Gross Mass (VGM) sent to the Carrier, or the weight declared to the Carrier (for non-containerized cargo), and the weight declared by the Shipper in his shipping instruction or otherwise weighted during the Carriage.
