ADDITIONAL CLAUSES

358. Following the exceptional measures adopted by various governments in relation with the outbreak of COVID-19 virus and the operational constraints resulting thereof, the Merchants are hereby notified that the carriage of cargo may be disrupted or delayed. Cargo may not be loaded on the intended vessel and may be on forwarded to the port of destination on any alternative vessel at Carrier's sole discretion. Furthermore in case of disruption of ports' operations, the cargo may be discharged in an alternative port without notice and - subject to availability - be on forwarded to the original intended port of destination. Carrier reserve its rights to accomplish the bill of lading in any alternative port. All additional costs, including but not limited to storage, demurrage, plugging, monitoring at the alternative discharge port or extra on forwarding costs, shall be on Merchant's account and payable before delivery and the carrier shall have no liability whatsoever for any loss or damage resulting thereof

366. The Merchant warrants that the particulars relating to the Goods have been checked and that such particulars are adequate and correct. In case of failure of the Merchant to comply with such warranty, the Carrier shall be entitled to charge the Merchant at any time an amount of USD 2,000 per Container or Goods (for non-containerized cargo) as processing and administrative fees. This fee shall also be applicable in case of discrepancy between the Verified Gross Mass (VGM) sent to the Carrier, or the weight declared to the Carrier (for non-containerized cargo), and the weight declared by the Shipper in his shipping instruction or otherwise weighted during the Carriage.

369. All local charges generating in Peru are to be paid by the Merchant to the agent and designated empty container depot, who render the services locally. All local charges are duly registered on the website <https://www.cma-cgm.com/local/peru/tariffs-local-charges>

372. Merchant consents to the Carrier sharing information and data contained in the Bill of Lading and/or related to the performance of the Carriage of the Goods with third parties, including but not limited to digital supply chain platforms.

374. Merchant undertakes and warrants that, in no circumstance whatsoever, the Goods and the Container(s) listed in this Bill of Lading shall be destined and on-carried to Russian Federation territory or Republic of Belarus after unloading at port of discharge.

375. Merchant undertakes and warrants that, in no circumstance whatsoever, the Goods listed in this Bill of Lading shall be stuffed and on-carried from the Russian Federation territory or Republic of Belarus before loading at port of loading.
