FREIGHT RATES, CHARGES, WEIGHTS AND/OR MEASUREMENT			Received by the Carrier the Goods as specified above in apparent good order and condition unless otherwise started, to be transported to such place as agreed, authorized or permitted herein and subject to all the terms and conditions appearing on the front and reverse of this Bill of Lading to which the Merchant agrees by accepting this Bill of Lading, and local privileges and customers notwithstanding. If required by the Carrier one (1) original Bill of Lading must be surrendered duly enclosed in exchange for the Goods or delivery order. Limitation on carrier's liability/shippers's ad valorem option. The Carrier in shall in no event be or become liable for any loss or damage to or in connection with the transportation of Goods in an amount exceeding US \$500 per package, or in the case of goods not shipped in packages per customary freight unit, or the equivalent of that sum in other currency (or such other limitation imposed by a Carriage of Goods by Sea Act, statute or law in force according to the provisions hereof) unless the nature and value of such goods have been declared by the Merchant before shipment and inserted in the bill of Lading. Such declaration of value shall not, however, be conclusive on the Carrier for purposes of determining the extent of the Carrier's liability. If the Merchant desires to be covered for a valuation in excess of said US\$500 per package or customary freight unit or any other applicable limitation, the Merchant must so stipulate in this Bill of Lading and such additional liability only will be assumed by the Carrier upon payment of the Carrier's ad valorem freight charge. Carrier hereby undertakes to carry out, at the request of shipper, cold treatment of goods, which undertaking shall be totally separate from and fall outside the scope of carriers undertaking to carry goods under this bill of lading and for which a fee shall be separately charged. Cold treatment shall be performed by carrier but at risk of the shipper/consignee. Carrier undertaking for cold treatment of goods is strictly limited to exercise due diligence to provide properly approved containers and temperature measuring and recording devices as well as to monitor cold treatment procedure. Carrier is not responsible for a failure of the cold treatment as consequence of an incorrect placement of the cold treatment probes that is a responsibility of the peruvian national agrarian sanity authority (SENASA). Carrier upon exercise due diligence shall be fully released and discharged from any obligation and responsibility in respect of and for outcome of cold treatment. Shipper / consignee hereby undertakes to hold harmless and indemnify carrier for any and all consequences arising from or out of goods being subject to cold treatment. Additionally, shipper / consignee agrees to instruct new destination of cargo within the next 7 days after rejection/failure of the cold treatment.
