- TERMS:**
- It is the Buyer's responsibility to obtain and/or provide any necessary documentation including, but not limited to, permits, licenses, certificates and approvals that may be required to enable the Seller, Physical Supplier and the Buyer to execute their respective obligations and/or to comply with any relevant laws, regulations, be required to enable the Seller, Physical Supplier and the Buyer to execute their respective obligations and/or to comply with any relevant laws, regulations, directions or notices of customs, port or other authorities. Any costs, expenses, fines, liabilities, losses, damages, claims, demands and charges which might be incurred or suffered owing to the Buyer's failure to obtain the necessary documentation in good time, will be for Buyer's account.
  - VOOIL LTD retains title to all products supplied until full settlement of its respective invoice is received; until such time the consumption of the products is prohibited.
  - All sales are on credit to the Vessel and the Buyer is presumed to have authority to bind the Vessel with a maritime lien. Any disclaimer stamps placed by the vessel on the Bunker Delivery Receipt will have no effect and will not waive or in any way limit Sellers' maritime lien.
  - Any error or omission or deviation to the terms hereof must be reported immediately and in written by the Buyer, otherwise the details contained in this Confirmation shall be valid and binding upon all parties.
  - The Buyer's representative must participate in the sample taking and the sealing of the relevant samples.
  - Delivery will take place subject to weather permitting and in accordance with local port authority regulations, always subject to the applicable Terms and Conditions.
  - Deliveries are performed on "first come/first served" basis and no demurrage claim will be valid if the Vessel arrives outside the agreed laycan or is unable to accept delivery within laycan. The Seller reserves the right to cancel any delivery to any vessel which arrives out of the laycan. Any price increase because of the Vessel arriving outside the laycan, shall be borne by the Buyer.
  - All deliveries are subject to berth availability for the loading of the bunkering barges at the place of delivery.
  - Cancellation fee payable by the Buyer: USD 7,000.
  - If there is a shortage claim, a surveyor will be hired and if the bunkering barge's figures are correct the cost of the surveyor will be invoiced to and paid by the Buyer.

**REMARKS:**

• Please ensure that (i) pre-arrival notices are promptly tendered to the Seller and (ii) Master/Agents are instructed to liaise closely with Physical Suppliers to arrange final quantities and timings for an expeditious supply.
