This Waybill is deemed to be a contract of carriage as defined in Article I (b) of the Hague Rules and Hague Visby Rules although this is not a document of title to the Goods. DELIVERY will only be made on Payment of all Freight and Charges and to the named Consignee or any third party nominated by the Consignee by written instruction to the Carrier or his Agent, unless the Shipper instructs otherwise prior to delivery. The rights and liabilities arising according to the terms hereof shall (without prejudice to any rule of common law and status) become binding between the Carrier and Consignee as if this agreement has been made between them and the Shipper guarantees on reception of this Waybill that he has accepted it on his own behalf, on behalf of the Consignee and the Owner of the Goods, and warrants that he has authority to do so. |  |                                                                 |                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                        |              |                                                                                                          |      |                |  |
