(a) damage arises prior to loading on to the Vessel; or

(b) the Place of Delivery is not set on the reverse hereof, and such loss or damage arises subsequent to discharge from the Vessel, save that where US COGSA governs the Carriage as a matter of compulsory law then the provisions stated in said Act shall apply before loading on to and after discharge from any Vessel and during Carriage to or from a container yard or container freight station or in immediately adjacent to the sea terminal at the Port of Loading and/or Discharge.

7. COMPENSATION AND LIABILITY PROVISIONS

7.1 Subject always to the Carrier's right to limit liability as provided for herein, if the Carrier is liable for compensation in respect of loss of or damage to the Goods, such compensation shall be calculated by reference to the FOB or FCA price plus any other charges and expenses incurred by the Shipper. If the Goods cannot be established, such compensation shall be calculated by reference to the value of such Goods at the place and time they are delivered or should have been delivered to the Merchant. The value of the Goods shall be fixed according to the current market price, by reference to the normal value of goods of the same kind and/or quality.

In that case, the amount of the declared value shall be substituted for the limits laid down in this TD. Any partial loss or damage shall be adjusted pro rata on the basis of such declared value.

7.4 The Carrier's TD shall operate to limit or deprive the Carrier of any statutory protection, defence, exception or limitation of liability authorised by any applicable laws, statutes or regulations of any country. The Carrier shall have the benefit of the said laws, statutes or regulations as if it were the owner of any carrying Vessel.
