Copies of the relevant provisions of the applicable Tariff are obtainable from the Carrier upon request. In the case of inconsistency between this TD and the applicable Tariff, the TD shall prevail.

3. WARRANTY

The Carrier warrants that in agreeing to the Terms and Conditions hereof he is, and has the authority to contract on behalf of, the Person owning or entitled to possession of the Goods and this TD.

4. SUB-CONTRACTING

4.1 The Carrier shall be entitled to sub-contract on any terms whatsoever the whole or any part of the Carriage.

4.2 The Merchant undertakes that no claim or allegation arising in contract, bailment, tort or otherwise shall be made against any servant, agent, or Sub-Contractor of the Carrier which imposes or attempts to impose upon any of them or any vessel owned or chartered by any of them any liability whatsoever in connection with the Goods or the Carriage of the Goods or the Carriage of the Goods, whether or not arising out of negligence on the part of the Carrier, and if any such claim or allegation should nevertheless be made, to indemnify the Carrier against all consequences thereof. Without prejudice to the foregoing every such servant, agent, and Sub-Contractor shall have the benefit of all Terms and Conditions of whatsoever nature herein contained or otherwise benefiting the Carrier including clause 25 hereof, the law and jurisdiction clause, as if such liability or consequences were imposed on the Carrier.

4.3 The Merchant further undertakes that no claim or allegation in respect of the Goods shall be made against the Carrier by any Person other than in accordance with the Terms and Conditions which imposes or attempts to impose upon the Carrier any liability whatsoever in connection with the Goods or the Carriage of the Goods, whether or not arising out of negligence on the part of the Carrier, and if any such claim or allegation should nevertheless be made, to indemnify the Carrier against all consequences thereof.

5. CARRIER'S RESPONSIBILITY - PORT-TO-PORT SHIPMENT

5.1 The Carrier shall be liable for loss of or damage to the Goods or for loss of or damage to the Goods occurring between the time of loading at the Port of Loading and the time of discharge at the Port of Discharge shall be determined in accordance with articles 1-8 (inclusive) of the Hague Rules save as is otherwise provided in this TD. These articles of the Hague Rules shall apply as a matter of contract.

5.2 The Carrier shall have no liability whatsoever for any loss of or damage to the Goods, howsoever caused, if such loss or damage arises before loading onto or after discharge from the Vessel. Loading shall be deemed to have commenced when the Goods are connected with the tackle alongside the Vessel, and discharge shall be deemed to have been completed when the Goods are disconnected from the tackle alongside the Vessel.

5.3 Where the USA COGSA governs the Carriage, as a matter of compulsory law, then the provisions stated in the said Act shall apply before loading on the Vessel or after discharge therefrom, as the case may be, during Carriage to or from a terminal yard or container freight station or in immediately adjacent to the sea terminal at the Port of Loading and/or Discharge. If the Carrier is requested by the Merchant to procure Carriage by an inland Carrier in the USA and the inland carrier is a FCL Carrier, the provisions of this TD shall apply to the Carriage by the Carrier as agent to the Merchant and such Carriage shall be subject to the inland carrier's contract and tariff. If for any reason the Carrier is denied the right to act as agent at these times, his liability for loss damage or delay to the Goods shall be determined in accordance with clause 6 hereof.

6. CARRIER'S RESPONSIBILITY - COMBINED TRANSPORT

Where the Carriage is Combined Transport, the Carrier undertakes to perform and/or in his own name to procure performance of the Carriage from the Place of Receipt or the Port of Loading, whichever is applicable, to the Port of Discharge or the Place of Delivery, whichever is applicable, and, save as is otherwise provided for in this TD, the Carrier shall be liable for loss or damage occurring during the Carriage only to the extent set out below.

6.1 Where the stage of Carriage where loss or damage occurred is **not known**, the Carrier shall only be liable if it is proven by the Merchant that the loss of and/or damage to the Goods has been caused by the Carrier's gross negligence and/or willful misconduct. In all other circumstances the Carrier shall not be liable.

6.2 Where the stage of Carriage where the loss or damage occurred is **known** notwithstanding anything provided for in clause 6.1 and subject to clause 18, the liability of the Carrier in respect of such loss or damage shall be determined:

(a) in the case of shipments to or from the USA by the provisions of US COGSA if the loss or damage is known to have occurred during Carriage by sea to or from the USA and the USA COGSA governs the Carriage; or

(b) by the provisions of clause 6.1 if the loss or damage is known to have occurred during the Carriage by land or in immediately adjacent to the sea terminal at the Port of Loading or of Discharge in ports of the USA; or

(c) by the Hague Rules articles 1-8 inclusive where the provision of clause 6.2(a) does not apply and if the loss or damage is known to have occurred from and during loading onto the Vessel up to and during discharge from the Vessel. These articles of the Hague Rules shall apply as a matter of contract; or

(d) if the loss or damage is known to have occurred during Carriage inland in the USA, in accordance with the contract of carriage or tariffs of any inland carrier in whose custody the loss or damage occurred, or in the absence of such contract by the provisions of clause 6.1, in either case the law of the State of New York will apply; or

(e) where the provisions of clause 6.2(a), (b), and/or (c) above do not apply, in accordance with the contract of carriage or tariffs of any inland carrier or Sub-Contractor in whose custody the loss or damage occurred or when the Sub-Contractor is the custodian, semi-public and/or imposed exclusive or monopolistic, body by the conditions applicable for such body or in the case of the Sub-Contractor is not a body, to the contract of carriage or tariffs of the Sub-Contractor.

6.3 For the purposes of clause 6.2 references in the Hague Rules to Carriage by sea shall be deemed to include references to all waterborne Carriage and the Hague Rules shall be construed accordingly.

6.4 The Carrier shall be under no liability whatsoever for loss of or damage to the Goods or for loss of or damage to the Goods occurring:

(a) if the Place of Receipt is not named on the reverse hereof and such loss or

damage arises prior to loading on to the Vessel; or

(b) if the Place of Delivery is not named on the reverse hereof, and such loss or damage arises subsequent to discharge from the Vessel, save that where US COGSA governs the Carriage as a matter of compulsory law then the provisions stated in said Act shall apply before loading on to and after discharge from any Vessel and during Carriage to or from a container yard or container freight station or in immediately adjacent to the sea terminal at the Port of Loading and/or Discharge.

7. COMPENSATION AND LIABILITY PROVISIONS

7.1 Subject always to the Carrier's right to limit liability as provided for herein, if the Carrier is liable for compensation in respect of loss of or damage to the Goods, such compensation shall be calculated by reference to the FOB or FCA price of the Goods plus any additional charges and the FOB or FCA price of the Goods cannot be established, such compensation shall be calculated by reference to the value of such Goods at the place and time they are delivered or should have been delivered to the Merchant. The value of the Goods shall be fixed according to the current market price, by reference to the normal value of the goods of the same kind and/or quality.

7.2 Save as is provided in clause 7.3:

(a) the Carrier's liability shall in no event exceed one hundred pounds lawful money of the United Kingdom per package or unit of the Goods lost, damaged or in respect of which a claim of whatsoever nature arises unless clause 7.2(b) applies.

(b) the USA COGSA applies by virtue of clauses 5.3 or 6.2(a) neither the Carrier nor the Vessel shall in any event be or become liable for any loss of or damage to the Goods or in connection with the Carriage in an amount exceeding US\$ 500 per package or customary freight unit.

7.3 The Merchant agrees and acknowledges that the Carrier has no knowledge of the value of the Goods and higher compensation than that provided for in this TD shall be claimed only when, with the consent in writing of the Carrier, the value of the Goods declared by the Shipper upon delivery to the Carrier has been stated on the reverse of this TD and extra freight paid. In that case, the amount of the declared value shall be substituted for the limits laid down in this TD. Any partial loss or damage shall be adjusted pro rata on the basis of such declared value.

7.4 The Carrier's TD shall operate to limit or deprive the Carrier of any statutory protection, defence, exception or limitation of liability authorised by any applicable laws, statutes or regulations of any country. The Carrier shall have the benefit of the said laws, statutes or regulations as if it were the owner of any carrying Vessel.

7.5 The Carrier does not undertake that the Goods or any documents relating thereto shall arrive or be available at any point or place at any stage during the Carriage or at the Port of Discharge or the Place of Delivery at any particular time or to meet any particular requirement of any licence, permission, safe contract, or credit of the Merchant or any market or use of the Goods and the Carrier shall not be or become liable for loss or damage or for loss of profits.

7.6 Once the Goods have been received by the Carrier for Carriage the Merchant shall be entitled neither to impede, delay, suspend or stop or otherwise interfere with the Carrier's intended manner of performance of the Carriage or the exercise of the liberties conferred by this TD nor to instruct or require the delivery of the Goods at any other Port or Place than the Port of Discharge or Place of Delivery named on the reverse hereof or such other Port or Place selected by the Carrier in the exercise of the liberties herein, for any reason whatsoever. The Merchant shall indemnify the Carrier against all claims, liabilities, losses, damages, costs, delays, legal fees and/or expenses caused to the Carrier by his Sub-Contractors, servants or agents arising from any stoppage whatsoever in the Carriage of the Goods.

7.7 The Terms and Conditions shall govern the responsibility of the Carrier in connection with or arising out of the supplying of a Container to the Merchant whether before, during or after the Carriage.

7.8 In the event that the Merchant requests the Carrier to deliver the Goods:

(a) at a port other than the Port of Discharge; or

(b) (save in the USA) at a Place of Delivery instead of the Port of Discharge or at a place beyond the Place of Delivery, and the Carrier in its absolute discretion agrees to such request, such further Carriage will be undertaken on the basis that the Terms and Conditions are to apply to such Carriage as if the ultimate destination agreed with the Merchant had been entered on the reverse side of this TD as the Port of Discharge or Place of Delivery.

8. GENERAL

8.1 The Carrier does not undertake that the Goods or any documents relating thereto shall arrive or be available at any point or place at any stage during the Carriage or at the Port of Discharge or the Place of Delivery at any particular time or to meet any particular requirement of any licence, permission, safe contract, or credit of the Merchant or any market or use of the Goods and the Carrier shall not be or become liable for loss or damage or for loss of profits.

8.2 Once the Goods have been received by the Carrier for Carriage the Merchant shall be entitled neither to impede, delay, suspend or stop or otherwise interfere with the Carrier's intended manner of performance of the Carriage or the exercise of the liberties conferred by this TD nor to instruct or require the delivery of the Goods at any other Port or Place than the Port of Discharge or Place of Delivery named on the reverse hereof or such other Port or Place selected by the Carrier in the exercise of the liberties herein, for any reason whatsoever. The Merchant shall indemnify the Carrier against all claims, liabilities, losses, damages, costs, delays, legal fees and/or expenses caused to the Carrier by his Sub-Contractors, servants or agents arising from any stoppage whatsoever in the Carriage of the Goods.

8.3 The Terms and Conditions shall govern the responsibility of the Carrier in connection with or arising out of the supplying of a Container to the Merchant whether before, during or after the Carriage.

8.4 In the event that the Merchant requests the Carrier to deliver the Goods:

(a) at a port other than the Port of Discharge; or

(b) (save in the USA) at a Place of Delivery instead of the Port of Discharge or at a place beyond the Place of Delivery, and the Carrier in its absolute discretion agrees to such request, such further Carriage will be undertaken on the basis that the Terms and Conditions are to apply to such Carriage as if the ultimate destination agreed with the Merchant had been entered on the reverse side of this TD as the Port of Discharge or Place of Delivery.

9. NOTICE OF LOSS, TIME BAR

Unless notice of loss or damage and the general nature of such loss or damage be given in writing to the Carrier or his agents at the Place of Delivery (or Port of Discharge if no Place of Delivery is named on the reverse hereof) before or at the time of receipt of the Goods and/or before the loss or damage is or becomes apparent within three days thereafter, the Carrier shall be deemed prima facie to have delivered the Goods as described in this TD. In any event, the Carrier shall be discharged from all liability whatsoever in respect of the Goods unless suit is brought within twelve months after their delivery or after the date when they are considered to be due delivery (as per clause 22(b) or 22(c) as the case may be). In cases of any claims against the Carrier in respect of the loss or damage to or loss of the Goods or of claims not relating to the Goods, notice to be given within one week and suit to be brought against the Carrier within 6 months after delivery as determined in clause 22, such claims otherwise being definitively waived and time-barred.

10. DEFENCES AND LIMITS FOR THE CARRIER

10.1 It has been agreed between the Carrier and the Merchant that if the TD is a Bill of Lading only the Holder and if the TD is a non-negotiable waybill, only the Shipper or, alternatively, the Consignee (depending on which one of the two Persons actually incurred the loss or damage), shall be entitled to claim from the Carrier in respect of the loss or damage to or loss of the Goods or of claims not relating to the Goods, and if any other Person than the aforementioned would nevertheless make such claim or allegation, then the Merchant shall indemnify the Carrier against all consequences thereof.

10.2 The Terms and Conditions shall apply in any action against the Carrier for any loss or damage whatsoever and/or howsoever occurring (and, without restriction, the USA COGSA shall apply to the delay, loss of or damage to or loss of or misdelivery) and whether the action be founded in contract, bailment or in tort and even if the loss, damage or delay arose as a result of unseaworthiness, negligence or fundamental breach of contract.

11. SHIPPER-PACKED CONTAINERS

11.1 A Container has not been packed on behalf of the Carrier (FCL Container):

11.2 This TD shall be a receipt only for such a Container;

11.3 The Carrier shall not be liable for loss of or damage to the contents and the Merchant shall indemnify the Carrier against any injury, loss, damage, liability or expense whatsoever incurred by the Carrier if such loss of or damage to the contents and/or such injury, loss, damage, liability or expense has been caused by any matter beyond his control including, inter alia, without prejudice to the generality of this exclusion:

(a) the manner in which the Container has been packed; or

(b) the unsuitability of the Goods for carriage in Containers; or

(c) the unsuitability or defective condition of the Container (including blocked air vents) or are to receive special attention in any way. The Merchant undertakes not to tender for Carriage any Goods which require refrigeration, ventilation or other specialised attention without giving written notice of their nature and the particular temperature of supply air to be maintained or other setting of the thermostat, ventilation or other special controls. If the above requirements are not complied with, the Carrier shall not be liable for any loss of or damage to the Goods howsoever arising.

11.4 Temperature instructions given by the Merchant for temperature controlled Containers will always relate to the supply air temperature range to be maintained by the Carrier during the Carriage. The Carrier will not guarantee any temperature range inside the Container. The temperature of the Goods upon delivery to or loading on board of the Vessel is to be controlled by the Carrier and will be the responsibility of the Merchant. The Carrier does not guarantee the maintenance of any intended level of humidity inside any Container.

11.5 The term "apparent good order and condition" when used in this TD with reference to goods which require refrigeration, ventilation or other specialised attention does not mean that the Goods, when received, were verified by the Carrier as being at the carrying temperature, humidity level or other condition

designated by the Merchant.

12.4 The Carrier shall not be liable for any loss of or damage to the Goods arising from latent defects, derangement, breakdown, defrosting, stoppage of the refrigerating, ventilating or any other specialised machinery, plant, insulation and/or apparatus of the Container, Vessel, conveyance and any other facilities, provided that the Carrier shall before and at the beginning of the Carriage exercise due diligence to maintain the Container supplied by the Carrier in an efficient state.

13. INSPECTION OF GOODS

The Carrier shall be entitled, but under no obligation, to open and/or scan any Package or Container at any time and to inspect the contents. If it appears at any time that the Goods cannot safely or properly be carried or carried further, either at all or by the particular furnishes by the Merchant, the Carrier may, at the option of the Container or the Goods, the Carrier may without notice to the Merchant (but as his agent only) take any measures and/or incur any reasonable additional expense and/or to continue the Carriage thereof, and/or to set or dispose of the Goods and/or to abandon the Carriage and/or to store them ashore or afloat, under cover or in the open, at any place, whichever the Carrier in its absolute discretion considers most appropriate, without any responsibility or taking any measures in relation to constitute due delivery under this TD. The Merchant shall indemnify the Carrier against any reasonable additional expense so incurred. The Carrier in exercising the liberties contained in this clause shall not be under any obligation to take any particular measures and shall not be liable for any loss, delay or damage howsoever arising from any action or lack of action under this clause.

14. DESCRIPTION OF GOODS

14.1 This TD shall be prima facie evidence of the receipt by the Carrier in apparent good order and condition, except as otherwise noted, of the total number of Containers or other packages or units indicated in the box on the reverse side hereof and the particulars furnished by the Merchant.

14.2 No representation is made by the Carrier as to the weight, contents, measure, quantity, quality, description, condition, marks, numbers or value of the Goods and the Carrier shall be under no responsibility whatsoever in respect of such description or particulars.

14.3 The Shipper warrants to the Carrier that the particulars relating to the Goods as set forth on the reverse hereof have been checked by the Shipper on receipt of this TD and that such particulars, and any other particulars furnished by or on behalf of the Shipper, are adequate and correct. The Shipper also warrants that the Goods are lawful goods, and contain no contraband, drugs, stowaways or other illegal substances, and that the Goods will not cause loss, damage or expense to the Carrier, or to any other cargo.

14.4 The Carrier shall not be liable for any loss or damage or for loss of profits and/or sales contract and/or invoice or order or import/license and/or/or Tapes and/or sales contract and/or invoice or order or import and/or details of any contract to which the Carrier is not a party are shown on the face of this TD, such particulars are included at the sole risk of the Merchant and for his convenience. The Merchant agrees that the inclusion of such particulars shall not be regarded as a declaration of value and in no way increases Carrier's liability under this TD.

15. MERCHANT'S RESPONSIBILITY

15.1 All of the Persons coming within the definition of Merchant in clause 1 shall be jointly and severally liable to the Carrier for the due fulfilment of all obligations undertaken by the Goods in this TD.

15.2 The Merchant shall be liable for and shall indemnify the Carrier against all loss, damage, delay, fines, legal fees and/or expenses arising from any breach of any of the warranties in clause 14.3 or elsewhere in this TD and from any other cause whatsoever in connection with the Goods for which the Carrier is not responsible.

15.3 The Carrier shall comply with all regulations or requirements of customs, port and other authorities, and shall bear and pay all duties, taxes, fines, imposts, expenses or losses (including, without prejudice to the generality of the foregoing Freight for any additional Carriage undertaken) incurred or suffered by reason of any failure to so comply, or by reason of any illegal, incorrect or insufficient declaration, marking, numbering or addressing of the Goods, and shall indemnify the Carrier against the same.

15.4 If Containers supplied by or on behalf of the Carrier are unpacked at the Merchant's premises, the Merchant is responsible for returning the empty Containers, with interiors clean, odour free and in the same condition as received, to the point or place designated by the Carrier, within the time prescribed. Should a Container not be returned in the condition required and/or after the time prescribed in the Tariff, the Merchant shall be liable for any detention, loss or expense incurred as a result thereof.

15.5 Containers released into the care of the Merchant for packing, unpacking or any other purpose whatsoever are at the sole risk of the Merchant until redelivered to the Carrier. The Merchant shall indemnify the Carrier for all loss of and/or damage and/or delay to such Containers. Merchants are deemed to be aware of the dimensions and capacity of any Containers released to them.

16. FREIGHT, EXPENSES AND FEES

16.1 Full Freight and/or Charges shall be payable based on particulars furnished by or on behalf of the Shipper. The Carrier may at any time upon the Goods (or Containers) and, if the Shipper's particulars are incorrect, the Merchant may at any time, prior to the Goods being shipped, amend or correct any and any expenses incurred in examining, weighing, measuring, or valuing the Goods.

16.2 The Merchant is responsible for the payment of the Freight and/or Charges which shall be considered completely earned on receipt of the Goods by the Carrier and shall be paid and non returnable in any event.

16.3 All sums payable to the Carrier due on receipt of the Goods shall be paid in full in the local currency of the Merchant, or, at the Carrier's option, in its equivalent in the currency of the Port of Loading or of Discharge or the Place of Receipt or of Delivery or as specified in the Carrier's Tariff.

16.4 The Merchant's attention is drawn to the stipulations concerning currency in which the Freight and/or Charges is (are) to be paid, rate of exchange, demurrage, additional charges and other contingencies relative to Freight and/or Charges in the applicable Tariff.

16.5 All Freight and/or Charges shall be paid without any set-off, counter-claim, deduction or stay of execution at latest before delivery of the Goods.

16.6 If the Merchant fails to pay the Freight and/or Charges when due he shall be liable also for the payment of reasonable legal fees and expenses incurred in collecting the sums due and interest at a rate of 1% per month from the due date. Payment of Freight and charges to a freight forwarder, broker or anyone other than the Carrier or its authorised agent, shall not be deemed payment to the Carrier and shall be made at the Merchant's sole risk.

17. LIEN

The Carrier shall have a lien on the Goods and any documents relating thereto for all sums payable to the Carrier by the Merchant under this or any other contract and for general average contributions to whatsoever due. The Carrier may exercise his lien at any time and in any place in his sole discretion, whether the contractual Carriage is completed or not. In any event any lien shall extend to cover the cost of recovering any sums due and for that purpose the Carrier shall have the right to sell the Goods by public or private sale without notice to the Merchant. The Carrier's lien shall survive delivery of the Goods.

18. STOWAGE OF GOODS AND LIVE ANIMALS

18.1 The Goods may be packed by the Carrier in Containers and consolidated with other goods in Containers.

18.2 Goods packed in Containers (other than flats or pallets) are carried on deck unless indicated otherwise on the reverse hereof. The Carrier shall not be required to note, mark or stamp on the reverse hereof any additional statement of such on-deck carriage. Save as provided in clause 18.3, such Goods (except live animals) shall participate in general average and shall be deemed to be within the definition of Goods for the purpose of the Hague Rules or US COGSA and shall be carried subject to such Rules or Act, whichever is applicable.

18.3 Goods (not being Goods stored in Containers other than flats or pallets) which are stated on the reverse hereof to be carried on deck and live animals, whether or not carried on deck, are carried without responsibility on the part of the Carrier for loss or damage of whatsoever nature or delay arising during the Carriage, whether or not caused by the Carrier, and shall be deemed to be carried as cargo and neither the Hague Rules nor US COGSA shall apply.

19. METHODS AND ROUTES OF CARRIAGE

(a) use any means of transport or storage whatsoever;

(b) use any mode of transport or storage, including transhipping or carrying the same on a Vessel other than the Vessel named on the reverse hereof or by any other means of transport whatsoever and even though transhipping or forwarding of the Goods may not have been contemplated or provided for herein;

(c) unpack and remove the Goods which have been packed into a Container or forward them in any other way;

19.2 The liberties set out in clause 19.1 may be invoked by the Carrier for any purpose whatsoever whether or not connected with the Carriage of the Goods. Anything done or not done in accordance with clause 19.1 or any delay arising therefrom shall be deemed to be within the contractual Carriage and shall not be a deviation.

20. MATTERS AFFECTING PERFORMANCE

If at any time the Carriage is delayed by any hindrance, risk, danger, delay, difficulty or disadvantage of whatsoever kind and howsoever arising which cannot be avoided by the exercise of reasonable endeavours, even though the circumstances giving rise to such hindrance, risk, danger, delay, difficulty or disadvantage existed at the time this contract was entered into or the Goods were received for Carriage the Carrier may at his sole discretion and without notice to the Merchant and whether or not the Carriage is commenced thereafter:

(a) Carry the Goods to the contracted Port of Discharge or Place of Delivery, whichever is applicable, by an alternative route to that indicated in this TD or that which is usual for Goods consigned to that Port of Discharge or Place of Delivery. If the Carrier elects to invoke the terms of this clause 20(a) then, notwithstanding the provisions of clause 19 hereof, he shall be entitled to charge such additional Freight and other costs as the Carrier may determine; or

(b) Suspend the Carriage of the Goods and store them ashore or afloat upon the Terms and Conditions and endeavour to forward them as soon as possible, but the Carrier makes no representations as to the maximum period of suspension. If the Carrier elects to invoke the terms of this clause 20(b) then, notwithstanding the provisions of clause 19 hereof, he shall be entitled to charge such additional Freight and other costs as the Carrier may determine; or

(c) Abandon the Carriage of the Goods and place them at the Merchant's disposal at any place or port, which the Carrier may deem safe and convenient, whereupon the responsibility of the Carrier in respect of such Goods shall cease. The Carrier shall nevertheless be entitled to full Freight on the Goods received and the Carrier and the Merchant shall pay any additional costs incurred by reason of the abandonment of the Goods.

If the Carrier elects to use an alternative route under clause 20(a) or to suspend the Carriage under clause 20(b) this shall not prejudice his right subsequently to abandon the Carriage.

21. DANGEROUS GOODS

21.1 No Goods which are or which may become of a dangerous, noxious, hazardous, flammable, or damaging nature (including radio-active material) or which are or may become liable to damage any Persons or property whatsoever, and whether or not so listed in any official or unofficial, international or national code, convention, listing or table shall be tendered to the Carrier for Carriage, whether previously giving written notice of their nature, character, name, label and classification (if applicable) to the Carrier and obtaining his consent in writing and without distinctly marking the Goods and the Container or other covering on the outside so to indicate the nature and character of any such Goods and so to comply with any applicable laws, regulations or requirements. If any such Goods are delivered to the Carrier without obtaining his consent, the Carrier shall have the option, at the option of the Carrier, to store them ashore or afloat upon the Terms and Conditions and endeavour to forward them as soon as possible, but the Carrier makes no representations as to the maximum period of suspension. If the Carrier elects to invoke the terms of this clause 21.1 then, notwithstanding the provisions of clause 19 hereof, he shall be entitled to charge such additional Freight and other costs as the Carrier may determine; or

21.2 The Merchant warrants that such Goods are packed in a manner adequate to the Merchant's risk to the Carriage having regard to their nature and in compliance with all laws, regulations or requirements which may be applicable to the Carriage.

21.3 The Merchant shall indemnify the Carrier against all claims, liabilities, loss, damage, delay, costs, fines and/or expenses arising in consequence of the Carriage of such Goods, and/or arising from breach of any of the warranties in clause 21.2 including any steps taken by the Carrier pursuant to clause 21.1 whether or not the Merchant was aware of the nature of such Goods.

21.4 Nothing contained in this clause shall deprive the Carrier of any of his rights provided for elsewhere.

22. NOTIFICATION, DISCHARGE AND DELIVERY

22.1 Any mentioning in this TD of parties to be notified of the arrival of the Goods is solely for information of the Carrier. Failure to give such notification shall not involve the Carrier in any liability nor relieve the Merchant of any obligation hereunder.

22.2 If no Place of Delivery is named on the reverse hereof, the Carrier shall be at liberty to discharge the Goods at the Port of Discharge without notice to the Merchant, directly as they come to hand, at or onto any wharf, craft, vehicle or place, on any day and at any time, whereupon the liability of the Carrier (if any) in respect of the Goods discharged as aforesaid, shall wholly cease notwithstanding any custom of the Port to the contrary and notwithstanding any charges, duties or other expenses that may be or become payable. The Merchant shall be liable to take responsibility for the return and discharge of the Goods to do so, the stevedore or Person into whose hands the Goods are discharged, shall be considered to have taken due delivery of the Goods on behalf of the Merchant.

22.3 If a Place of Delivery is named on the reverse hereof, the Merchant shall take delivery of the Goods upon arrival of the Goods at such Place of Delivery. If the Merchant fails to take delivery of the Goods within the time and place the Goods are delivered shall be considered to have taken due delivery of the Goods on behalf of the Merchant.

22.4 Storage of the Goods shall be for the Merchant's account and at his sole risk. If the costs of such storage are paid or are payable by the Carrier or any agent or Sub-Contractor of the Carrier, these costs shall forthwith upon demand be paid by the Merchant to the Carrier.

22.5 If the Merchant fails to remove the Goods within 30 days of delivery becoming due under clause 22.2 or 22.3 or whenever in the Carrier's opinion the Goods are likely to deteriorate, decay or become worthless, or incur charges whether for storage or otherwise in excess of their value, the Carrier may at his discretion and without prejudice to any other rights which he may have against the Merchant, but without any liability or without any responsibility attaching to him, sell, abandon or otherwise dispose of the Goods at the sole risk and expense of the Merchant and apply any proceeds of sale in reduction of the sums due to the Carrier by the Merchant.

22.6 If, at the place where the Carrier is entitled to call upon the Merchant to take delivery of the Goods, the Merchant fails to receive the Goods, the Carrier is obliged to discharge the Goods into the hands of any customs, port or other authority, such discharge shall constitute due delivery of the Goods to the Merchant under this TD.

22.7 In case of option TD, the Carrier may, in the absence of Merchants' written option declaration, which can only be given for the totality of the Goods, at the Merchant's fault and to the detriment of the Goods, at the first optional port or place, elect to discharge at any optional port or place.

22.8 At any time the Carrier shall be entitled to deliver Goods originally missing. If a Merchant has a shortage in Goods or numbers of Goods, the Carrier may at his discretion deliver as substitute any surplus goods of similar nature and quality, whether these have different or no marks and numbers at all and if the Merchant fails to require the substitute goods, such Goods which shall constitute complete performance of the Carrier's obligations under this TD.

22.9 In the event more than one Merchant is entitled to delivery of Goods stuffed in a FCL Container (called FCL multiple TD as evidenced by the qualification "one of" or "part" cargoes in the Container) or similar qualification):

(1) Such Container shall only be released to all Merchants together at a single consignment or in a single consignment as agreed by all Merchants. Failing such agreement the Carrier may unblock the Container and release these Goods to the Merchant on a LCL basis. In such event the Carrier shall not be liable for any shortage, loss, damage or discrepancies of the Goods, which are found upon the unpacking of the Goods and such release will only be effected against payment by the Merchant of its Service Charges and any other charges for the additional care for the additional services.

(2) Each Merchant shall bear any shortage/damage in such proportions as the Carrier shall in its absolute discretion determine.

23.2 Such security including a cash deposit as the Carrier may deem sufficient to cover the estimated contribution of the Goods and any salvage and special charges thereon shall be required to be submitted to the Carrier or his agent on behalf of the Goods. The Carrier shall be under no obligation to exercise any lien for general average contribution due to the Merchant.

23.3 If a salvaging ship is owned or operated by the Carrier, salvage shall be paid for as fully as if the said salvaging ship belonged to strangers.

24. VARIATION OF THE CONTRACT AND VALIDITY

24.1 No servant or agent of the Carrier shall have the power to waive or vary any Terms and Conditions unless such waiver or variation is in writing and is specifically authorised or ratified in writing by the Carrier.
