MERCHANT'S DECLARED VALUE OF GOODS:
If Merchant enters a value, Carriers "package" limitation of liability shall not apply and ad valorem freight will be charged (See Clause 21)
NOTE: Received in apparent good order and condition, unless otherwise stated herein, the Goods or packages or Containers said to contain the units and amount of Goods specified herein for carriage subject to the terms and conditions hereof (including the terms and conditions of the reverse side hereof and the terms and conditions of the Carrier's Tariff Rules) from the Place of Receipt or the Port of Loading (whichever is applicable) to the Port of Discharge or the Place of Delivery (whichever is applicable). The Merchant agrees and acknowledges that the weight, measure, marks, numbers, quality, contents seal(s) number and value of the Goods as declared are unknown to and not admitted by the Carrier, but that the Carrier has relied upon the Merchant's representation as to the number of packages stated herein. If the acknowledged tally is of Containers, this indicates that the Container has been packed and sealed by the Merchant at his premises without the Carrier being represented and able to check or verify either the tally of Goods or the stowage, which are consequently unknown to him. In accepting this Bill of Lading the Merchant expressly accepts and agrees to be bound by all the terms, stipulations, exceptions, limitations, liberties and conditions stated herein, whether written, printed, stamped or otherwise

IN WITNESS of the contract contained herein the number of original Bills of Lading stated below has been signed by or on behalf of Zim Integrated Shipping Services Ltd. (as Carrier). Unless otherwise stated in any applicable law or regulation, upon any of the said originals being accomplished the others to stand void.
