COOKING INSTRUCTIONS:
1. Fill cooking pot with enough water to be able to cover shrimp.
2. Bring the water to a boil and then add the thawed shrimp.
3. Cook for 2 to 3 minutes stirring several times while cooking.
4. Shrimp are fully cooked when flesh is opaque color throughout.
5. Drain the water and drain shrimp on cold water to stop the cooking process.
6. Serve chilled or store in refrigerator and consume within 3 days.
